  - We offer a gas service plan that covers natural gas and propane-fired systems.
  - Our air conditioning plan includes 24 hour service and an annual tune-up.
- A 5 cent per gallon discount will be offered off of the website price for oil and propane delivered on an automatic basis. 5 cents per gallon will be donated to the CJF.

    - Special pre-season pricing will be offered to members looking to participate in our budget, budget cap and fixed pricing programs.
